## Chief Executive's Message

**The Hon CY Leung**  
Chief Executive of HKSAR

Founding Chairman,  
Hong Kong Coalition of  
Professional Services

My congratulations to the Young Coalition Professional Group for organising this year's Youth Forum, the third Forum since the establishment of the Young Coalition in 2013.

In that regard, I am grateful to the Hong Kong Coalition of Professional Services (HKCPS) for its vision in bringing the Young Coalition to life as an interest group within HKCPS and its professional services bodies. The Young Coalition gives our young professionals the opportunity to expand their awareness of Hong Kong's critically important services sector, while building connections with other young business people and services professional throughout the wide-ranging sector.

The Forum's theme this year, "Succession to Success: Developing Next-Generation Leaders", reflects the Hong Kong SAR Government's dedication to the development of our youth, and ensures that they have the resources necessary to identify and build their careers in Hong Kong, as well as in mainland China.

I wish you all the best of business at this year's Youth Forum, and to seize the myriad opportunities in professional services – whatever the sector, wherever they may lie.
